

Study Resources-Marriage

Making Marriage Work

A series on 4 DVDs that takes a real look at marriage and how to cultivate all aspects of the marriage relationship so that your love can last a lifetime.

Focus on the Family Marriage Series

Seven books each offering 4 week studies on different topics in marriage. Topics include: The Covenant Marriage, The Passionate Marriage, The Giving Marriage, The Surprising Marriage, The Fighting Marriage, The Masterpiece Marriage and The Model Marriage.

Love and Respect

An awesome DVD series that takes a look at how men and women are created differently and therefore feel loved in different ways. It discusses how to get off of the Crazy Cycle and onto the Energizing Cycle.
