In-House Opportunities

Adult Ministries

LIFE Groups

Love one another, Intercede in prayer, Fellowship around Christ, Evangelism filling the empty chair. There is nothing like authentic community-knowing others well and being known for who you really are -to energize your soul. God created us to “do life” together, not alone. We believe that participation in a LIFE Group is essential to growing spiritually.

Women’s Ministry

The purpose of Women’s ministry at Cody CMA is to connect women in growing relationships with God and each other. This happens through studying together, praying together, serving together and playing together.

Opportunities:

If you have an idea for an activity, ministry or service that would connect women with God and each other that would be great too!

Sunday Morning Classes

Adult Sunday School classes are designed to help participants grow

deeper in their relationship with Christ, and in their knowledge of the truth of God’s Word. We work hard to ensure that every class includes a strong “life application” component. Often, these classes become the catalyst for people to step into LIFE groups and other ministries as they build relationships with others in the class.

Youth Ministries

Youth Ministry at Cody CMA is about helping to make teens faith their own. When they “graduate” from our ministry we desire that they have a faith of their own, not the church’s faith, or their parents, or

anyone else’s. With that faith, we are seeking to make them into committed disciples & disciple makers. (volunteer apps. mandatory to serve directly with youth)
